

# Pit Vehicle Policy

For everyone's safety, we highly discourage the use of pit vehicles by non-racers. With elevated abuse and injuries related to these, the fee is \$20 in addition to your preferred parking fee, unless the event prohibits them entirely. Please review the guidelines and restrictions below. These will be strictly enforced.

- No pit vehicles of any kind are permitted to enter from the spectator parking lots.
- Race vehicles that are driven to the track are not permitted to bring in any pit vehicles.
- Full-size dirt bikes or sport ATVs are not permitted on track property.
- Utility & mini ATVs are OK.
- No hoverboards or skateboards are permitted on track property.
- Mobility scooters are always free and may come in from spectator parking areas.
- No joy riding or reckless operation anywhere on track property. Speed limit is 15mph.
- Must be at least 16 years old and have a state drivers license to operate anything on wheels - motorized or not - on track property (no children).
- Racers are responsible for conduct of their crew and children. Any violation of these rules may result in disqualification from the event with no refund.

We apologize if this is inconvenient or seems harsh, but the reckless operation of pit vehicles in the pit area has forced us to make these changes. Further restrictions will depend on the safe operation of pit vehicles we allow, and whether these rules are adhered to moving forward.

**Mobility Scooters OK**

**No Full-Size Sport ATVs  
Utility ATVs OK**

**No Full-Size Dirtbikes**

**No Hoverboards  
or Skateboards**
